**NEWSLETTER**  
November 2024

**Unlock New Opportunities with Titan's Partner Program**

Forms, Document Generation, E-Signatures, Surveys – **and Yes, Admins Can Build Portals Too!**

**Empowering Partners, Driving Growth**

At Titan, we empower our partners to deliver exceptional value to clients while achieving remarkable growth. Here's how Titan supports you:

- **No-Code Platform:** Titan offers the only complete no-code solution for Salesforce, allowing you to extend capabilities with ease and speed.
- **No-Charge POCs:** We support our partners by providing Proof of Concept (POC) solutions at no cost, with a 2-5 day turnaround. This accelerates your sales cycles, enhances your credibility with clients, and differentiates your firm from other consulting partners.
- **Accelerator Programs:** Collaborate with our team to create custom solutions for your clients, reducing time-to-market and client costs while giving you a competitive edge.
- **Always-On Support:** From free consultations to industry-leading SLAs and a dedicated Slack channel, our global support teams are here for you round-the-clock.
- **Training & Resources:** Titan Academy is packed with resources like tutorials, videos, and hands-on training to ensure your team stays ahead. Plus, our onboarding sessions make it easy to start strong.

**Titan 360 extends Salesforce for any external interactions**
